FloCyte Associates and Verity Software announce a PRE-GLIIFCA course in DNA analysis. Want to get the best out of your DNA analysis? Need to understand how to analyze difficult samples? This workshop is for YOU! You will get hands-on computer experience, training from the experts in the field – Verity! Positions are limited so register early. Computer experience in flow cytometry DNA analysis is a plus - but not required. Make those GLIIFCA travel dollars work for you - add on this extra day for the cost of the hotel bill and registration. Can't make it??? Invite us to do one at YOUR Lab!!
